TomTom Extractions

The screenshot displays the TomTology2 interface with a sidebar on the left containing navigation options like 'Homes', 'Favourites', 'Recents', and 'Journeys'. The main area shows a 'TomTom Summary View' table with columns for '#', 'Live', 'Date', 'Navigated By', 'System Description', 'User Description', 'House Number', 'Latitude', and 'Longitude'. The table lists various data points such as 'Origin - GPS Pos', 'Destination - Fav', and 'Last GPS Fix' for multiple journeys.
